### Review

▽ "NYC arrives in Bay Shore with a bang!" laud lovers of this "lakeside charmer" whose chef/co-owner Matthew Connors (formerly chef de cuisine at Veritas in Manhattan) crafts a "challenging, rewarding menu" of "outstanding" New American dishes, while "stellar" hostess Eileen Connors "personally checks" to "make sure you're happy"; the "beautifully decorated", "airy room" highlights the "lovely view", and the whole experience is "worth every penny" at this one to watch.
